

ONWARD[®]

Club Car[®]

ONWARD[®]

Introducing the Onward from Club Car, a personal transportation vehicle that is crafted to fit your lifestyle. It's convenient, reliable, stylish and is the only vehicle of its kind with an unmatched collection of custom integrated accessories and options so you can make it your own.

This is the future of personal transportation...and it starts now!

Club Car[®]

A History of
Innovation.
A reputation
for Quality.

Club Car is known for superbly engineered products that work hard to make everyday life better.

The six new Onward Models carry on that tradition by prioritizing the safety, comfort and satisfaction of drivers and passengers. It starts with what you can see, like standard LED headlights and side reflectors that enhance driver visibility. But the details you can't see matter too, because they reflect an unwavering commitment to safety over 60 years strong.

Pick your size. Make it your own.

Our Design. Your Details.

GENUINE PARTS
& ACCESSORIES

Unlike after-market components, our extensive collection of Onward accessories was developed, built, and tested alongside the vehicle to ensure perfect fit and performance. From windshields to wheels, canopies to tires, and everything in between, there are hundreds of ways to personalize your Onward.

Ready to get started? Tailor one to your specifications with the online design tool at clubcar.com/build.

Use your own golf car on your neighborhood course now with Club Car Connect. See page 10 for more details.

New premium windshields come tinted or clear, designed with hinges and stabilizers for a quieter, more comfortable ride.

Premium seat choices, designed for maximum comfort, are available in two-tone or solid colors.

Deflect spray from tires with front and rear fender flares thoughtfully designed to complement the vehicle's lines.

Several distinct alloy wheel styles: Athena, Aerion, Zeus, and Mercury.

Roll with Confidence

Designed in partnership with Kenda™, exclusive Club Car® tires are made with premium compounds to improve durability and tread life while delivering a smooth, comfortable ride.

Crafted for Peace of Mind.

This 6 passenger Personal Transportation Vehicle was specifically engineered with your comfort and safety in mind. And, with the warranty, backing, and support you expect from Club Car, your family can focus on what really matters. Now available in Onward HP for greater performance!

Long, one-piece canopy design that covers the rear facing passengers

Ergonomic grab handles for second row passengers and dual cup holders positioned for easy reach

Front row seat pod purposely engineered to provide ample leg room for second row passengers

Enhanced suspension and 4-wheel braking system for improved handling and safety.

Front row under-seat storage tray with multiple compartments

Available in all Onward standard colors, options, upgrades and accessories

The extended body aesthetic parts have been designed for a fully integrated and sleek look

SUPERIOR GAS ENGINE

PERFORMANCE : Increased reliability, quieter valve train, reduced vibration, increased horsepower and improved fuel economy.

VALUE : The best warranty in golf means zero stress and excellent resale value.

FUEL ECONOMY : Club Car's Onward with EFI enjoys a 35% power boost over our previous gas engine while using 35% less fuel.

Dynamic Stability & Predictable Handling

On select Onward® models, an exclusive stability bar under the axle minimizes lateral wheelbase movement for greater confidence during turns.

Environmental Durability

As one of the only personal transportation vehicles constructed from an aluminum frame, the Onward is uniquely resistant to the elements.

Plus, our metal flake paint and UV-tested components are specially formulated to resist fading.

Enhanced Visibility

When your family is on the road, it's crucial that your vehicle be seen by pedestrians and other traffic. That's why the Onward has front LED headlights that sweep the curb but won't blind passersby, turn signals you can spot from a 90-degree angle, and brake lights.

Superior Comfort

Motion control components within the suspension system on select models absorb energy over uneven paths or pavement, creating a smoother, more comfortable ride.

ONWARD®

Crafted for Performance.

Take everything you already love about Onward and add our exclusive Lithium-Ion technology and you've got the best electric personal transportation vehicle in the industry.

Your car can be built to your specifications and preferences with completely customizable options including color, seats, wheels and even drive modes to maximize performance.

Performance

This all-new, Lithium-Ion powered vehicle exceeds all expectations with increased hill-climbing capabilities and high-power acceleration. No other vehicle in the industry can compete with its powerful motor and broad range of programmable drive modes.

Safe & Reliable

With a state-of-the-art battery management system, the battery pack is completely protected from the elements in a self-contained, fully coated steel, water-tight battery case. For added peace of mind, the Onward HP Li-Ion comes with a 6 year battery warranty.

Maintenance Free

The Lithium-Ion battery is completely maintenance-free. Long gone are the days of watering and cleaning your batteries. No matter your plans, you can always expect consistent performance with the Onward HP Li-Ion.

The new high-powered motor and electronic controller improves hill-climbing speed, performance, and efficiency.

6-year battery warranty

Three programmable drive modes to maximize your performance level. Choose between econ, normal, and sport modes at time of purchase.

ONWARD HP

When you're behind the wheel of our new high performance vehicle, you'll experience the power, torque and acceleration only possible by AC-drive technology.

The next generation of performance is here with the Onward HP by Club Car.

POWER. TECHNOLOGY. AC DRIVE.

- Our high performance vehicle provides you with impressive torque and acceleration, with smart technology that will assist you in making sure your vehicle is always healthy and ready to drive.
- Integrated power management allows you to worry less about the life of your battery and focus more on your next adventure.
- With multiple acceleration modes available, your dealer will configure the Onward HP to the experience you're looking for.

POWER YOU CAN FEEL.

PERFORMANCE

This all-new Onward High Performance vehicle offers a high-power motor and advanced 375 amp controller to provide you with impressive torque and hill climbing power for even the toughest terrains. With new and improved acceleration, you won't have to worry about being passed, no matter what road you take.

DYNAMIC BATTERY POWER MANAGEMENT

Featuring integrated battery power management, your Onward HP will automatically go into sleep mode when unattended to help extend battery charge. Worry less and drive longer with our advanced technology.

COMFORT & RELIABILITY

Feel the difference in the Onward HP with a quiet AC drive train, premium comfort seating, and boosted acceleration. Cruise down any back road or neighborhood with your favorite tunes playing on our Bluetooth sound system. With Club Car reliability, totally customizable, the power is in your hands.

C O N N E C T

The Beginning of Greater Connectivity with Onward.®

Use your own golf car on your neighborhood course* now with Club Car Connect. Connect monitors available travel range, gives accurate pin placement and shows the status of your battery charge. Bluetooth Speakers allow for personalized music on and off the course. Connect is here and is now compatible with your electric Onward.

*See local dealer for golf course compatibility.

ENTERTAINMENT EVERYWHERE

No need for other hand held accessories like range finders, Visage Golf Experience provides accurate pin placement, and touch for distance on the screen.

YOUR CAR, YOUR COURSE, YOUR WAY

The convenience helps reduce the hassle of having to lug your golf bag, your range finder and other equipment from your car to the fleet car.

PEACE OF MIND

Reduce anxiety around available travel range, receive alerts to status of your car battery charge, real time speedometer, odometer and engine alerts as needed.

Club Car vehicles and accessories are sold through Authorized Club Car Dealers.
